

Support The Loft Stage Theater Program and Become a Loft Stage Patron

Supporting the Arts and Arts Education at East Ridge High School and in the Community

The Loft Stage Theater Patron Program supports the growth and quality of theater at East Ridge High School. It benefits and enhances theater productions at The Loft Stage at East Ridge High School. This program makes it possible for everyone to enjoy a consummate theater experience, while providing students the opportunity to showcase their talents and learn about theater arts in a superlative setting.

Funds are needed for a variety of purposes including equipment, special educators and teachers, training and support of the performances.

Support Levels

The Loft Stage Patron Program was founded in 2010 by The Loft Stage Boosters, an organization whose mission is to develop a large community of advocates and supporters of the theater program at East Ridge High School, to promote the theater program productions, identify and provide opportunities for student development in theater arts and encourage school/district-wide involvement in the theater and booster programs.
