A stylized illustration of a theater stage. At the top, there are red curtains with a scalloped edge. A blue spotlight fixture is mounted on the right side of the curtains, casting a bright yellow beam of light onto the center of the stage. The stage floor is a solid brown color. In the foreground, the tops of several rows of red theater seats are visible, arranged in a perspective view.

# Tech Info Meeting

Today (9/8) in the choir room  
immediately after this meeting!

# Thespian Society & Points

- 10 Points to letter and gain entry to international thespian society.
- You can gain points doing different theater related activities
- Activities that take more time and energy will earn you more points.
- Example: participating in the musical will gain you more points than seeing a musical
- You have to fill out a form on the [loftstage.org](https://www.loftstage.org) website.

# Thespian Society & Points

## Thespian Point System

Please use the following form to submit theatrical work, past and present, in order to keep accurate records for spring induction.

Click the following link to see the suggested point values for theatre-related activities:

**Suggested Point Values**

- You have to fill out a form on the [loftstage.org](http://loftstage.org) website.
- Form can be found here

**Take out your phone and submit your theatre-related activities**

# Theater Lettering

In order to earn an East Ridge letter in theatre, students must meet the following requirements:

- Participate in each of the three main-stage productions in some capacity (e.g. acting, technician, set construction, ushering, etc.).
- Earn a bear minimum of ten Thespian points for East-Ridge-related theatre activities (see details above about point allocations).
- Complete at least ten set construction hours in the East Ridge scene shop. This total is inclusive of individual production requirements.
- Please use the above Google form to input participation as that documentation will be used to track lettering as well.
