Girls in the Boat

- **Auditions:** December 4-5, callbacks on the 6th
- **Show description:** “Girls in the Boat was inspired by the true stories of the U.S. women’s Olympic rowing team. A group of smart, fiery young women fight discrimination and prejudice to compete in the male-dominated sport of rowing, finding an unlikely ally in a taciturn men’s coach...Despite their diverse backgrounds and politics, they literally pull together to reach their goals in a fast-paced drama that reminds us of what we can all do if we have a common purpose. As our heroines break barriers of race and gender, their newly minted U.S. women’s rowing team goes on to become the most winning sports team in American history,” (Dramatist Play Service).
